City: Cape Town

Province: Western Cape

Postal code: 7925

Zoning: General Commercial C2

GPS Coordinates

Latitude: -33.93326

Longitude: 18.471395

Description

Black River Office Park is located in Fir Street, Observatory – a vibrant and prosperous Cape Town suburb. This ultra-modern landmark building with its unique combination of office and retail space is ideally located just off the N2 freeway, and just a few minutes' drive from Cape Town International Airport, Cape Town CBD and the N1 freeway.

Black River Office Park is officially the greenest office precinct in South Africa, with all eight buildings Green Star SA-rated. All have Green Building credentials and solar installations. The park has one of the largest roof-mounted solar panel installations in Southern Africa and is one of the top thirty in the world.

There are several amenities on site including a car wash, laundry, coffee shops (Vida e, Mill and Press and KDee's Takeaways), gym, yoga studio, Total Ninja (indoor adventure playground) and a hair salon. The precinct is close to public transport with the Observatory train station a mere 5-minute walk. The

Hartleyvale Stadium and Riverlands, the new mixed-use development (which houses Amazon's new HQ - a mid-size shopping Centre, including Checkers and Woolworths), are Black River Office Park's immediate neighbors.

Description

The Media Building offers 4257m² of standalone office space with bold potential and a unique identity. Refurbishment plans are in place but have yet to begin, giving the right tenant a rare opportunity to shape the transformation from the ground up. With new deck areas and shopfront upgrades on the horizon, this building is poised to become a standout landmark.
